TO: Each Health Deputy

FROM: John Viernes, Jr., Director  
Substance Abuse Prevention and Control

SUBJECT: **FUNDING REALLOCATION FOR NEW HOPE DRUG & ALCOHOL  
TREATMENT, PROGRAM, INC., COUNTY CONTRACT NO. PH-000433**

This is to inform you that Department of Public Health (DPH) plans to use the delegated authority granted by the Board on June 10, 2008 (Board Agenda Synopsis #31) to amend the County's estimated maximum obligation and corresponding maximum allocation for the above subject agreement. The agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of DPH or his designee to make such funding changes.

DPH is recommending this funding reallocation based on the Sobky v. Smoley court litigation which allows agencies to request additional funds to cover persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments: Attachment 1 is a description of the services to be revised by this amendment and Attachment 2 outlines the agency's current and new proposed funding amounts.

If you have any questions or need additional information, please let me know.

## Drug/Medi-Cal Services - Description

### Outpatient Drug Free Services (Federal Drug/Medi-Cal)

Outpatient drug free services include crisis intervention, counseling, and client referral services for people who are Medi-Cal eligible. Clients receive counseling at least twice within each thirty (30) day period.

### Day Care Habilitative Services (Federal Drug/Medi-Cal)

Day care habilitative services are non-residential programs which provide counseling and rehabilitation services to people who are Medi-Cal eligible. Clients participate in scheduled, formalized services three (3) or more hours per day, but less than twenty-four (24) hours, throughout the day at least three (3) times per week. Program services are available for a minimum of six (6) hours per day, six (6) days per week.
